MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Secretary of State
29 July 1977

25X1

3. The Secretary asked about the improper pressure that had been brought to bear on the people doing the National Intelligence Estimate on the impact of failing to reach an agreement on the Law of the Sea. I described what I knew about it; we agreed that I would come back to him with a draft paper on this subject. My intent is to draft a letter to the Secretary complaining in rather strong terms about the performance of the two individuals concerned and requesting that he take appropriate action.
